**WHEN: TUESDAY APRIL 25 & TUESDAY MAY 2, 2006**

**WHERE: SR-60 AT NASON STREET IN MORENO VALLEY**

State Route 60 at Nason Street in Moreno Valley will have a full freeway closure due to an encroachment permit request. The closure will take place for approximately ten minutes between 2:00 p.m. and 3:00 p.m. on Tuesday, April 25, and Tuesday May 2, 2006.

The closure will allow the contractor for Beazer Homes to complete minor blasting for new housing development. Residents and motorists are advised they may hear or feel minor sound or vibration from the blast.

Motorists may use Interstate 10 east as an alternate route during the closure, however, delays are expected to be minimal.
